14-11. INT. NEW YORK SCHOOL OFFICE - DAY

Dong pushes door open and walks into the office.

A PROFESSOR looks at him seriously and points to a chair for him to sit down.

Dong nods and sits down.

PROFESSOR

Mr. Han Dong, it's my regret to inform you that,  
because you were in serious violation of school's  
guidelines, we have decided to expel you from this  
institution.

DONG

Professor, listen, I can explain this. It was all just  
a misunderstanding.

PROFESSOR

This is the final decision.

Dong is shocked.
